Field Service Supervisor

Location: Coquitlam

1 Position Available

Competition #: LM00660

Leavitt Machinery is one of North America's largest Dealers for Materials Handling and Aerial equipment. We sell, rent, lease, finance, service & supply parts for Caterpillar, Mitsubishi, Taylor and Manitou Forklifts as well as complementary product lines such as JLG Booms and Scissor Lifts. As an equal opportunity employer with 18 locations in B.C., Alberta and Washington State, Leavitt is a market leader in the Materials Handling industry looking to add to its talented team. We offer an excellent benefit package.

The individual we seek will report directly to the Regional Manager and work as a liaison between Leavitt Machinery retail service customers and internal business units (Rentals, Fleet & Used Equipment). Responsibilities to include scheduling/coordinating & dispatching Technicians for field repairs & PM's; up selling customers on additional working required on equipment; ensuring all jobs are on schedule & within budget; communicating with the customers and business units regarding status of their equipment; co-ordination of field jobs that need to be repaired in the shop with the Service Manager; opening work orders for mechanics; opening and receiving purchase orders

The ideal candidate will be an experienced Mechanical Technician (Heavy Duty, Fork Lift or Automotive) with experience in the lift truck business. This individual must work well under pressure and be able to adjust to changing priorities. You must have excellent people skills in order to provide great customer service and to motivate mechanics to complete work in a timely and cost effective manner. Computer aptitude is a must as the dispatch process is heavily dependent on GPS, portable laptops with air cards and electronic submission of paperwork.

If you are an innovative, results oriented team player and have the skills required to succeed in this position, please forward your resume in confidence to:
