
HEAVY DUTY MECHANIC/CRANE TECHNICIAN

Location: Edmonton/Langley 1 Position Available Competition #: LM00816

Leavitt Machinery is one of North America's largest Dealers for Materials Handling and Aerial equipment. We sell, rent, lease, finance, service & supply parts for Caterpillar, Mitsubishi, Taylor and Manitou Forklifts as well as complementary product lines such as JLG Booms and Scissor Lifts. As an equal opportunity employer with 18 locations in B.C., Alberta and Washington State, Leavitt is a growing organization looking to add to its talented team. We offer an excellent benefit package.

We have an immediate opening for a full time Materials Handling Heavy Duty Mechanic/Crane Technician out of our Edmonton branch. We have a large fleet of material handling equipment, conventional tower cranes & fast erect/self erect cranes. This position would include but not be limited to:

- Diagnosis and repair of Materials Handling equipment including Forklifts, Aerial Work Platforms & Cranes
- Erecting cranes both conventional & fast erect cranes.
- A positive working relationship with the local safety authority.
- Demobilization of cranes both conventional & fast erect cranes.

The successful candidate will be a heavy duty mechanic with great electrical experience and the ability to understand electrical and know how to read electrical schematics. We are looking for a Red Seal Heavy Duty Mechanic or equivalent, and a quick learning with excellent customer and interpersonal skills.

If you are an innovative, results oriented team player and have the skills required to succeed in this position, please forward your resume in confidence to:
