## ***RESIDENT FIELD TECHNICIAN***

---

***Location: Campbell River    1 Position Available    Competition #: LM00686***

Leavitt Machinery is one of North America's largest Dealers for Materials Handling and Aerial equipment. We sell, rent, lease, finance, service & supply parts for Caterpillar, Mitsubishi, Taylor and Manitou Forklifts as well as complementary product lines such as JLG Booms and Scissor Lifts. As an equal opportunity employer with 17 locations in B.C., Alberta and Washington State, Leavitt is a growing organization looking to add to its talented team. We offer an excellent benefit package.

We have an opening in Campbell River for a Resident Field Technician. Reporting directly to the Regional Aftermarket Manager this individual will be responsible for the diagnosis and repair of Materials Handling equipment including Forklifts and Aerial Work Platforms. Other responsibilities include performing scheduled Preventative Maintenance, communicating repairs with customers and completing documentation, as required.

The successful candidate will possess Journeyman Certification along with previous Lift Truck experience. The individual we seek will be team player with excellent organizational, interpersonal & communication skills. This self-starter will have the ability to work with minimal supervision and will be able to contribute positively to a quality team environment. Shop work may be required.

If you are an innovative, results oriented team player and have the skills required to succeed in this position, please forward your resume in confidence to:
