## CORPORATE OVERVIEW

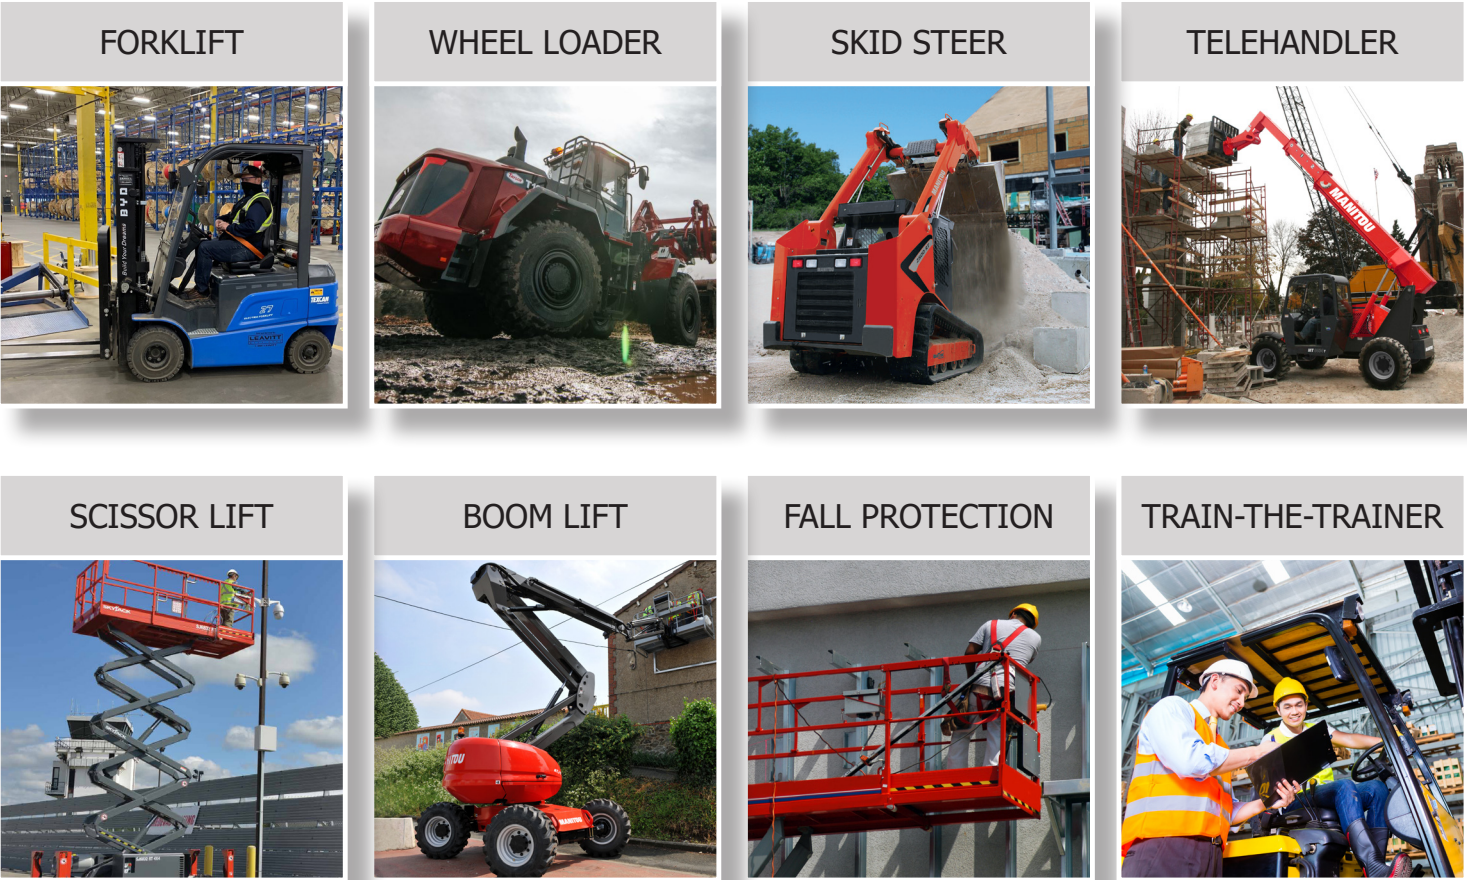

LEAVITT MACHINERY is one of the fastest-growing rental & equipment dealers in North America. We pride ourselves on providing a wide variety of equipment options and services for every application. With over 40 locations of service branches and dedicated training centers, we offer new and used equipment sales, short and long term rentals, emergency and preventative maintenance, safety training and parts support.

## Operator & Safety Training

Experts believe that proper training can reduce your risk of accidents by 25-30%. We're here for all of your training requirements, from basic PPE awareness and first aid to specialized job skills involving driving, excavating, training and managing others. Call us today to find out why over 40,000 people North America-wide certify with Leavitt Training each year.

### Why Book Training with Us?

- **Training Options** - In class at one of our branches, on-site at your location, online, blended learning and virtual reality training.
- **Industry & Safety Experts** - Our safety trainers have the experience and expertise required to serve a large variety of industries and applications.
- **Extensive Course Catalog** - Choose from 1000+ courses on various topics, including safety, equipment operation, first aid, and much more.
- **Third Party Independent Management** - We can manage all aspects of the customer's equipment training needs, recertifications and incident investigation support.

## NEW EQUIPMENT

Few equipment dealers have the selection of quality makes and models we offer. Whether you're working in construction, forestry, industrial, warehousing, or intermodal, you can be sure that we have several options designed for your application's demands. Our team of industry and equipment experts will work with you to evaluate your equipment needs to select the best possible solution. This will ensure that your new purchase is an efficient, productive, and safe addition to your fleet.

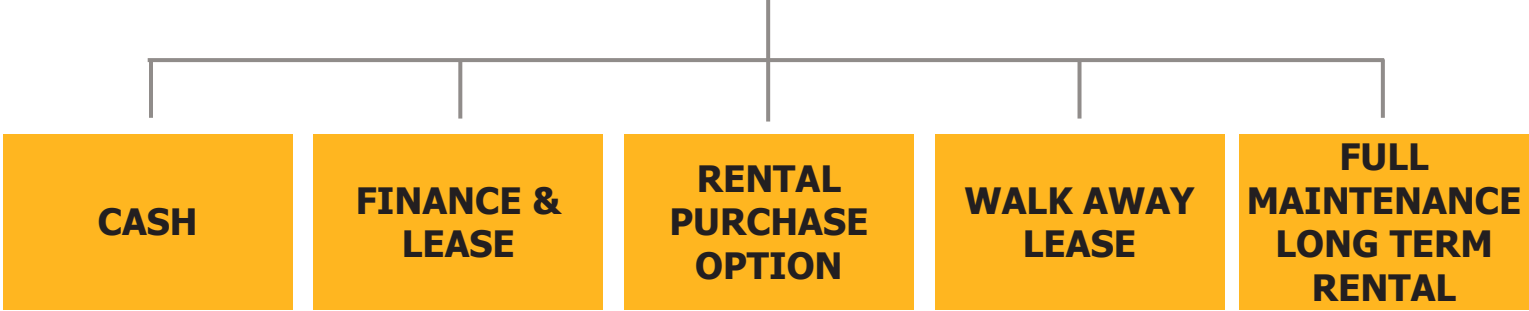

We offer a selection of leading brands, including Hyundai, Manitou, BYD and Carer. Whether you're looking for an electric, LPG, diesel, pneumatic, cushion, or rough terrain, we've got you covered. If you require something other than a forklift, we have additional equipment that supports all industries and applications.

### Why Buy From Leavitt

- Authorized dealer for a variety of leading brands making us a one-stop-shop for all your material handling needs
- Large product mix from forklifts, telehandler, man lift (MEWP), reach stacker or skid steers we can help
- We provide onsite, unbiased solutions that optimize productivity, safety, and value
- A variety of procurement options for all your needs

## PROCUREMENT OPTIONS

## USED EQUIPMENT

### Why Buy Used Equipment from Us?

Featuring a wide selection of quality used equipment from various manufacturers, we are your destination for used equipment. Whether you're looking for a used forklift, scissor lift, boom lift, telehandler, or even a container handler, we've got you covered. If we don't have your exact specifications in stock, our experts can source a unit for you from our extensive network of pre-owned equipment.

- Extensive selection with hundreds of units from various manufacturers, our used equipment inventory can serve the demands of various industries and applications.
- Our used equipment experts are well-versed in various makes and models
- Our financing specialists are dedicated to creating a payment plan that fits your needs and budget

Creating a payment plan that fits your needs and budget, which makes us your one-stop shop for all of your used equipment needs.

**Looking to Sell  
Your Machines?  
We Can Help You.**

Help

## PARTS SUPPORT

With over \$14 million worth of in-demand parts in stock and ready to ship, we are your one-stop shop for material handling parts. With OEM and aftermarket options available, we offer comprehensive parts support for a wide range of makes and models.

### Why Buy Parts from Us?

- Thousands of parts in stock & ready to ship
- Quality parts & industry leading warranties
- OEM and Aftermarket parts available
- Industry-leading parts warranty

Forks

Chains

Lights

Attachments

Seats

## TECHNICAL SUPPORT SYSTEM

We are an industry leader in service support for our customers

- 300 + factory trained technicians within North America available 24/7 for any make or model of machine
- Technical support center
  - Direct lines to manufacturers
  - Detailed knowledge of product lines

## MAINTENANCE PROGRAMS

### TIME & MATERIALS

- No fixed monthly cost  
Maintenance is billed 'per occurrence' basis
- Leavitt ensures compliance with the machine maintenance intervals
- Additional repairs that fall outside of the scope of the PM are charged to the customer separately, but with pre-approval
- Charged out on a flat rate or time and materials rate

### TOTAL PLANNED MAINTENANCE

- Fixed monthly cost for Planned Maintenance
- Leavitt ensures compliance to maintenance intervals
- Leavitt carries the responsibility for the cost of Planned Maintenance during the contract
- Amortize your payment over a predetermined term, and make your machine maintenance costs predictable and easy to forecast
- Additional repairs are not part of the TPM rate and require customer approval

### TOTAL MAINTENANCE & REPAIRS

- Fixed monthly cost for Planned Maintenance and repairs
- Leavitt ensures compliance with the maintenance intervals
- Leavitt carries the responsibility of the cost for repairs and maintenance during the contract
- Damage and misuse is not included in the TMR rate
- Repairs must be completed during normal business hours
- Transform a historically variable and difficult to budget cost into an easy to forecast fixed payment

## DAMAGE WAIVER AGREEMENT

What is a Damage Waiver Agreement?

It is an add-on protection option which gives you piece of mind when it comes to any unforeseen damage that may results during the course of your rental. Even with the best of operators accidents do happen.

Why do I need it?

- To avoid unwanted insurance claims
- To protect yourself from theft & unexpected repair costs
- To cover gaps in your insurance coverage
- To decrease your monthly costs over time

Ask your sales representative for details.

PNEUMATIC FORKLIFTS

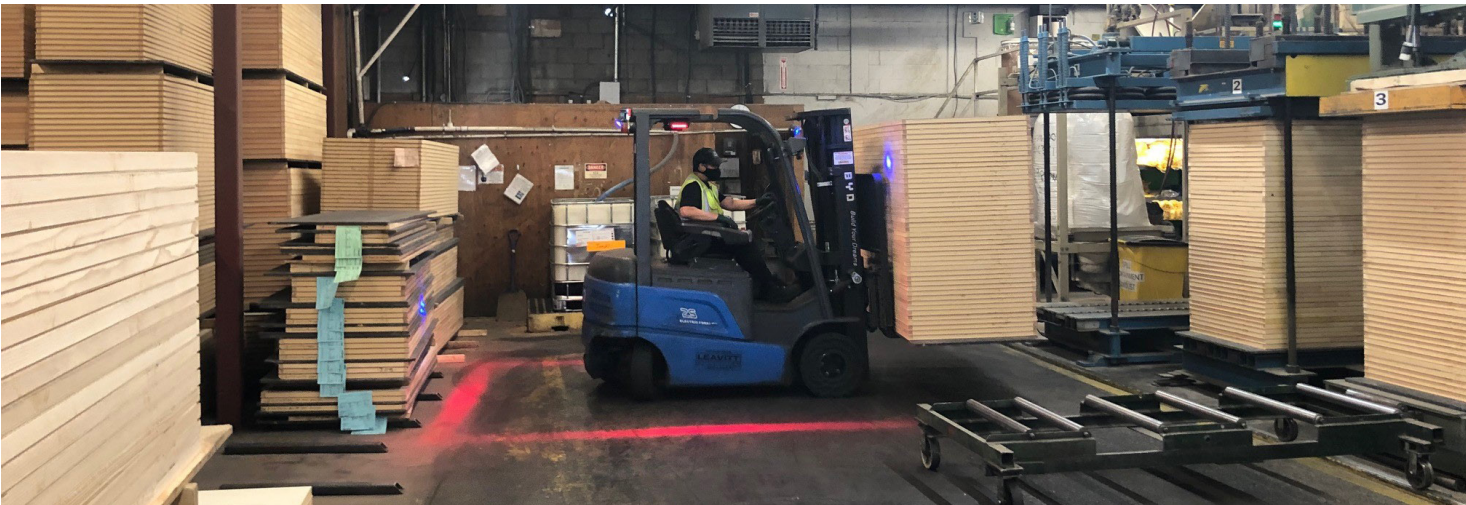

Capacity	Load Center	Mast Fully Extended	Mast Collapsed	Single/ Dual Tires	Fuel Type
3,000-6,000 lb	24"	188"	84.5"	Single	LP
8,000-12,000 lb	24"	187"	90"	Single/Dual	LP / Diesel
15,500-36,000 lb	24"	199"	144.6"	Dual	Diesel
55,000-110,000 lb	48"	185"	181"	Dual	Diesel

CUSHION FORKLIFTS

Capacity	Load Center	Mast Fully Extended	Mast Collapsed	Single/ Dual Tires	Fuel Type
3,000-6,000 lb	24"	188"	83.5"	Single	LP
8,000-12,000 lb	24"	183"	86.5"	Single	LP
15,000 lb	24"	209"	99"	Single	LP

ELECTRIC FORKLIFTS

Capacity	Load Center	Mast Fully Extended	Mast Collapsed	Single/ Dual Tires	Fuel Type
3,500-6,000 lb	24"	188"	84.5"	Single	36V / 48V
8,000-12,000 lb	24"	187"	90"	Single	80 V
15,000+ lb	24"	199"	144.6"	Dual	80V / 96V

Why go electric?

- No need for the hassle to store propane on-site
- No fuel costs
- Quiet
- Less maintenance and repairs
- Emissions free

Did you know we have Lithium solutions?

- No weekly maintenance, checks or watering.
- High run-time with quick-charging
- 110V plug-in options are available to avoid the need to connect a charger
- 100% sealed batteries, unlike lead-acid batteries, during charging, no hydrogen gas (combustion hazard) is released into the environment

# ROUGH TERRAIN FORKLIFTS
